Letter of Condolence

To the World Federation of Hydrotherapy and Climatotherapy,

Each of us from Chongqing Hot Spring Tourism Industry Association was shocked by the passing of the President Umberto Solimene and would like to express deep condolences for the passing of Prof. Solimene and sincere condolences to his family.

Being the president and expert of the World Federation of Hydrotherapy and Climatotherapy, Prof. Solimene has long been committed to supporting the development of China's hot spring tourism industry, especially making outstanding contributions to the development of Chongqing's hot spring tourism.

May Prof. Umberto and his family in peace!
